Sylvia Dear -

Luckily I didn't have  
to go on a 5-hour hunt  
to find the Nilkin reference.  
It's in C.F. 2645 ("p. 8"),  
p. 312 of <sup>the</sup> volume.

Now, if I can manage to  
find the letter from you con-  
taining the name of the  
Beckley boarder (De F. ....  
something) — ?

Anyway, much love,  
Maggie
