Mrs. IVY RANDIE (AKA) GOOCH, 208 West Louisiana Street, Dallas, Texas, advised she was born November 28, 1940, at Ravenna, Texas, and that on November 22, 1963, she was employed as a Cashier Checker at the A & P Grocery Store No. 11, 5011 Lemmon Avenue, Dallas.

Mrs. GOOCH advised that at approximately 11:30 AM the morning of November 22, 1963, she left the store with the permission of her supervisor and took up a position on the sidewalk in front of the store on the east side of Lemmon Avenue, intending to view the Presidential motorcade, which was due to arrive at that point shortly after 12 noon. She advised she took with her an 8 mm movie camera which she owned, intending to take a few feet of film of the motorcade as it passed. She advised the Presidential motorcade passed her position about 12:10 to 12:15 PM, going south on Lemmon Avenue and, as the motorcade passed, she took several feet of film of the Presidential car and some of the following cars. She advised she was alone at the time she took this film, although some of the store customers may have been at her elbow. Mrs. GOOCH stated that, following the passing of the motorcade, she returned to the store and to her check stand.

Mrs. GOOCH stated sometime around the first of January, 1964, a Mrs. IRVING GEWERTZ called Mrs. GOOCH at home, advising she had been contacting people having film in their possession of the motorcade all along the route, and she wanted to view the film taken by Mrs. GOOCH. She stated she later met with Mrs. GEWERTZ and Mr. BOREN, of the Singer-Harris Camera Shop, in order that Mrs. GEWERTZ could view the film to see if it should be included in a group of film holders, which Mrs. GEWERTZ was getting together to incorporate into a long film sequence of the motorcade. She advised she was told the film was of good quality and they asked her to join a group of several others in splicing her film into the intended sequence. She advised she attended one of the film holders meetings and she recalls signing corporation papers for the incorporation of Dallas Cinema Associates
