Mrs. FRANCES MARIE HAYS, 913 Forest Ridge Drive, Dallas, Texas, advised she was born September 12, 1936, Johnson County, Texas, and that her husband, CLARENCE EUGENE HAYS, is presently employed as Manager of Skillern Drug Store, 4900 Ross, Dallas.

Mrs. HAYS advised that she is presently a stockholder of the Dallas Cinema Associates Corporation, having contributed approximately ten feet of film taken of the Presidential motorcade by her husband on November 22, 1963.

Mrs. HAYS advised that pictures were taken with a Kodak 8mm Electric Eye Movie Camera, using Kodachrome Film, and were taken by her husband from the southeast corner of Lomo Alto and Lemmon Avenue as the Presidential motorcade passed down Lemmon Avenue. Mrs. HAYS advised that, upon completion of the roll of film, which contained pictures of the Presidential motorcade, her husband took the roll of film to the Sanger-Harris Camera Shop in downtown Dallas for developing. She advised shortly thereafter a Mr. BOREN, of the Sanger-Harris Camera Shop, contacted her husband and advised he had been in contact with a Mrs. IRVING GEWERTZ, who was interested in viewing the film sequences of the motorcade which her husband had taken. Accordingly, Mr. BOREN made an appointment for them with Mrs. GEWERTZ and Mrs. GEWERTZ came to the HAYS residence one evening to view the film. Upon seeing the HAYS film, Mrs. GEWERTZ expressed the opinion her film would be valuable as part of a future commercial home movie film of the motorcade, and asked Mrs. HAYS if she would care to join the group. Mrs. HAYS stated she assisted Mrs. GEWERTZ in contacting other film holders and, accordingly, on March 18, 1964, the Dallas Cinema Associates Corporation was formed, and Mrs. HAYS was appointed secretary of the corporation.

Mrs. HAYS advised the completed film had been sent to Technicolor, Inc., 123 South Hollywood Way, Burbank, California, on April 7, 1964, for duplication and a proof copy should
