C. W. (initials only) GRAY, 11627 Fernald Street, advised he is employed as a buyer in the Purchasing Department by Campbell-Taggart Associated Bakeries, telephone No. Fleetwood 2-4861, 6211 Lemmon Avenue, Dallas, Texas, and was so employed in this capacity on November 22, 1963. GRAY said he was born March 7, 1925, at McKinney, Texas.

GRAY said on November 22, 1963, he knew the Presidential motorcade was going to pass by his place of employment. As a consequence, he said he had brought his 8 mm Keystone Camera to work with him that day for the purpose of taking pictures of President JOHN FITZGERALD KENNEDY and others in the Presidential motorcade. GRAY said that at about 11:30 a.m. on November 22, 1963, he took up a position on the median strip of Lemmon Avenue in front of Campbell-Taggart Associated Bakeries, 6211 Lemmon Avenue, Dallas, Texas. He said that at about 12:15 p.m. the Presidential motorcade passed by his position and he took some film of President KENNEDY as the motorcade passed. Several moments after the motorcade passed, GRAY said he returned to his office at Campbell-Taggart Associated Bakeries.

GRAY advised that ALBERT BUNNELL, a stockholder of Dallas Cinema Associates, and also employed by Campbell-Taggart Associated Bakeries, 6211 Lemmon Avenue, took some film shots of the Presidential motorcade from the roof of the building housing Campbell-Taggart Associated Bakeries.

GRAY said he believes it was shortly after Christmas that he had the film of the Presidential motorcade developed because he also had some film on the same roll of Christmas scenes and his family. He said the film, Kodachrome II, was processed by the Lockwood Pharmacy, Lockwood Shopping Center, Dallas, Texas.

GRAY advised that around early January, 1964, he believes, he was contacted by telephone by Mrs. IRVING SEWERIZ, who informed him that she had learned from ALBERT BUNNELL, mentioned above, that GRAY had taken some movies of the Presidential motorcade. She said she was interested in seeing the film and would be willing to exchange

some film that she had for his. She also stated that a group of people who had taken film along the route of the Presidential motorcade were getting together and might possibly make a film showing views along the route of the Presidential motorcade.

Shortly after his contact by Mrs. GEWERTZ, GRAY said she viewed his film, liked it, and he subsequently joined the group which later incorporated under the name of the Dallas Cinema Associates, Incorporated. GRAY said the Dallas Cinema Associates, Incorporated, has put together a film of the Presidential motorcade and planned to market it commercially. He said the film at present has been sent to Technicolor, Incorporated, Burbank, California, and he understands that the proof copy, from which additional copies will subsequently be made, will be returned to the Dallas Cinema Associates, Incorporated, in about one week.

GRAY said he is not acquainted with LEE HARVEY OSWALD or JACK RUBY and to his knowledge has never had any contact with either.
