HOWARD YOUNG SIGLER, M. D., 6936 Lakeshore Drive, advised he specializes in orthopedic surgery and has offices located at 4217 Swiss Avenue, Dallas, Texas. SIGLER said he was born June 10, 1909, at Dallas, Texas.

SIGLER said shortly before noon on November 22, 1963, he took up a position on the northwest corner of Harwood Street, about fifty feet north of McKinney Street, Dallas, Texas, with the intention of viewing the Presidential motorcade and taking some movies of the President and his entourage as the motorcade passed his position. SIGLER said he learned what route the motorcade would take from an article he read in a Dallas newspaper on November 21, 1963. SIGLER said he had his 8 mm Kodak Electric Zoom Automatic Camera loaded with Kodachrome II Film with him for the purpose of taking the film sequence of the motorcade.

SIGLER advised that around 12:10 PM the Presidential motorcade passed his position and he was able to take about ten feet of film of the President and the motorcade. After the motorcade passed, SIGLER said he took his film to Fox Studios on North Henderson Street, Dallas, Texas, to have it developed. He said a Mrs. FRANCES HAYS was working there at the time and he informed her that the roll of film he left contained a film sequence of President JOHN F. KENNEDY's motorcade.

SIGLER related that toward the end of November, 1963, Mrs. FRANCES HAYS telephoned him and informed there were several people she knew who had taken film sequences of the Presidential motorcade, and advised that they had expressed a desire to exchange film with others who had also taken film sequences of the Presidential motorcade. SIGLER said he thought this would be a good idea in view of the assassination of President KENNEDY, since he would like to have as complete a record of the motorcade as possible.
