Dear Sylvia,

I find that I won't be coming to New York for at least another week, so I'm sending a copy of the letter I received from Michael Laurence at Playboy. It's disappointing. The next move, I guess, is up to Robert Forman. I will be in contact with him after he returns from Europe around the 30th and will again talk to him about The Minority of One.

I wonder if you could have Mr. Arnoni send a copy to him so that he can see what a good magazine it is --preferably an issue with one of your articles in it. You might also drop him a line yourself if you have time; your powers of persuasion are much greater than mine. This is the address:

Dr. Robert Forman, Chairman
Department of Sociology and Anthropology
Wisconsin State University
Oshkosh, Wisconsin 54901

I hope your vacation is proving pleasant. I suspect that you're very thankful you got the air conditioner, aren't you?

Best wishes,

Kate Randall
