Dear Miss Meagher:

As you might conclude from the fact you are receiving this, Trans-action did not consider it appropriate for them. Needless to say, I feel very frustrated over having what I (and others such as yourself) consider to be a well-supported valid idea and not being able to get it presented to the public.

I hope it is not too late for consideration for The Minority of One, which is why I am sending it on to you. I enjoyed very much talking with you last month when I called you. I will be waiting to see how the article fares with TMO.

Sincerely yours,

*Robert Forman*
