

2/27/67

week. shall call you.

Best. Always,

Call if anything comes up.

Thanks!

I'm making
good progress.

I think that, as of
now, the D.A. people
do not want any help
aside from letters — they're
already crowded here with
many people ... They're a
reliable bunch and I'm more
+ more convinced of their
honesty + seriousness.
