The New Orleans States-Item
New Orleans, La. 70110

Dear Miss James,

I have just learned from the news story in the States-Item of the 20th, page six, that you and Mr. Wardlaw have written the book, "Plot or Politics? The Garrison Case and Its Cast." Congratulations.

I am very eager to see your book, as I have been following the Garrison "investigation" with special interest and attention, mainly via the States-Item. May I ask you to be good enough to airmail me two copies of your book together with a bill covering the costs and the postage? I will send you a check by return mail--or, if you prefer, I will be glad to send you a copy of my forthcoming book on the Warren Report, "Accessories After The Fact," which is to be released on November 30th by the Bobbs-Merrill Company Publishers but copies of which I hope to receive a few weeks earlier.

My sincere thanks for your co-operation,

Yours faithfully,
