David -

These are my only copies  
and irreplaceable. I feel  
very reluctant to risk  
them in the mail - things  
do go lost sometimes - But  
I'll take the chance this  
time, since these letters  
reflect my views on  
Vernon Bundy and Dean  
Andrews (which you  
requested in your letter  
of 5/15/68). All the best.

Hastily,  
Aghin
