Hook to Bethell

"I have been told that
H-W - gave you the
suspect's docs for "LHO in Works"
some time ago. I just got a
copy of about 275 pages;
them; they are, to say the
least, interesting. Weisberg
may have picked up a good
lead (or a plant) on the
Hall-Howard Cuban group
through a radio
phone-in show here; he is
going to pass it on to
you."
