District Attorney Jim Garrison
Office of the District Attorney
2700 Tulane Avenue
New Orleans, La.

Dear Mr. Garrison,

I trust that you have received the Subject Index which Bob Richter sent you. It occurs to me that in addition to the references given in the Index under "New Orleans" you might wish to have a numerical list of the Commission Exhibits (CEs) which originated in or relate to New Orleans. The list is enclosed herewith.

Please do not hesitate to let me know if there is any service that I can perform to assist your investigation. I am certain that all my colleagues among the critics of the Warren Report are also at your disposal for any information or assistance they may be able to provide.

With every good wish,

Yours sincerely,

Sylvia Meagher
