He called NYorker (after EE  
called and asked for  
the Sciambra rept on Russo)

Talked to Garrison at Laurel  
County Club last fall →  
He (G) addressed NYS  
DA's Assn. (told Fred  
Fred) "Honest man, but  
mistaken" 2 hrs talk after  
midnight - told him what  
Russo had said (ie he really copped  
out to JPhelan).

At one pt Russo said (per EE)

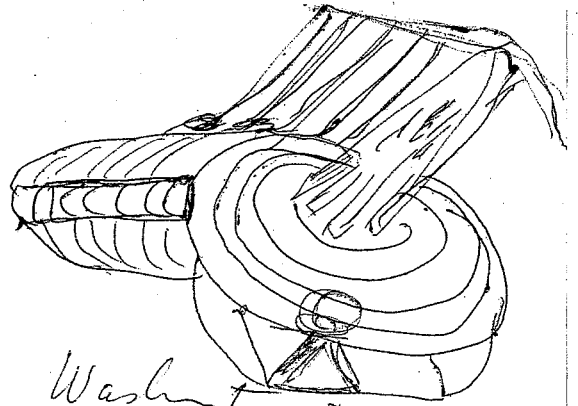

"If Tim J knew what I did  
after the show leary, he'd  
go through the roof" He  
went to his priest Bluge & said  
wanted talk Clay show, to determine  
if he was or was not "the guy."

Then said, 2 parties at

Ferris's. One he remembers well  
- when " played the piano.

The other one is like "blurred"  
TV. "I don't know what's  
truth & what's fantasy any  
more."

Jacobsen said, had been  
thinking when they conspired  
in front of Russo - Now he  
knew - "Russo had to be a  
member of the conspiracy."

Going to Washington DC  
tomorrow - Will call

Mr X - Washington lawyer

Ed Martin - very good  
practice - told Phil that

WC missed something "big"

He personally good friend  
Warren - had urged him not take  
WC job - story will rock  
the country.
