Dear Madam:

If you are the writer of the letter appearing in LOOK, I respectfully submit you've got a lot to learn about the JFK matter. For just one thing, please get ahold of "The Overseas Family" issue of June 20, 1969, article headlined "I Want To See My Children" copyrighted by Tom Lucey. This publication is from 19 Schillerstrasse, 6 Frankfurt/Main, West Germany. For a more direct reply to LOOK you'd have to see the newsletter "BACKLASH" edited by Richard Case Nagell, a man who was awarded the Bronze Star and three Purple Hearts by the U.S. Army. His issue is entitled "Profile in Courage". Incidentally, Nagell, a man who will come to rank with Alfred Dreyfus, was slandered.
