3H 167-168 Bonnie Ray Williams, testifies that elevator race was at 11:50 or 11:55 a.m. and on way down Oswald -- on 5th or 6th floor, Williams not certain --hollered "Close the gate on the elevator and send it back up."

3H 183 Williams describes Truly asking where Oswald was, everyone else there, but adds that Givens, too, was not in the building at the time.
