7H 380ff Roy Truly/Ball

7H 382 Truly says that he noticed only Oswald was missing, now thinks Givens was, too, but Truly had seen him in front , walking up the street, just before the shots were fired.

7H 385 Truly elaborates on the above.

7H 386 Truly not sure re Givens' return to TSBD after the shooting--thinks he came to front of the building, does not know if he came in. Does know that he was at the Dallas Police building later on.
