7H 380ff Roy Truly/Ball

7H 382 Truly says that he noticed only Oswald was missing, now thinks Givens was, too, but Truly had seen him in front, walking up the street, just before the shots were fired.

7H 385 Truly elaborates on the above.

7H 386 Truly not sure re Givens' return to TSBD after the shooting—thinks he came to front of the building, does not know if he came in. Does know that he was at the Dallas Police building later on.
