WR 141 nil

WR 143 ... At about 11:45 am Givens saw Oswald at elevator gate on 5th floor...On reaching 1st floor Givens discovered left cigarettes in jacket pocket upstairs, took elevator to get jacket, saw Oswald, clipboard in hand, walking from SE corner toward elevator. Givens asked if he was going downstairs, it was near lunch time, Oswald said No, when you get downstairs close gate to elevator (west elevator which operates by pushbutton and only with gate closed). When Givens reached 1st floor, about 11:55 am, west elevator not there. None of the Depository employees is known to have seen Oswald again until after the shooting.

WR 250 Givens returned to 6th floor to get jacket...saw Oswald walking away from SE corner but saw no one else...took one of the elevators back to first floor about 11:55 am.

WR 644 Oswald was last seen in the building on the 6th floor at about 11:55 am by Charles Givens, another employee.
