Dear Leo,

I am enclosing an article on Charles Givens and Oswald as well as a note on a phone-call from The Texas Observer. In view of the charges made in the article, I'd be grateful if you would find the time to read it and let me know if you see any weaknesses in the chain of evidence, the reasoning, or the conclusions reached--that there seems to have been perjury and collusion in which the Warren Commission lawyers are implicated.

Many thanks for any suggestions you may be able to let me have.

Sincerely,

Sylvia Meagher
