Dear Miss Meagher:

The facts showing that Oswald killed both Officer Tippit and President Kennedy are set forth in the Warren Commission Report. You still refuse to answer the matters to which I referred in my September 15, 1971 correspondence. For you to assert that Oswald did not kill Officer Tippit and President Kennedy is an outright fraud on world public opinion, and I am sure that if any objective intelligent person takes the time to read and study the Warren Commission Report and the overall Record, which is included in the 26 published volumes of hearing and exhibits, he will find that we were correct in our conclusions that Oswald killed both President Kennedy and Officer Tippit.

Sincerely yours,

HERRICK, LANGDON, BELIN & HARRIS
