Dear Mrs. Meagher:

Let the record be clear: Neither the members of the Commission nor the counsel with the Commission are wholly infallible so far as every minutia fact is concerned. However, let the record also be clear that Lee Harvey Oswald killed both President Kennedy and Officer Tippit, beyond a reasonable doubt.

I would agree that any further correspondence between us would serve little purpose, since you persist in your subterfuge of seeking to deceive world opinion about the Kennedy assassination.

Very truly yours,

David W. Belin
