

KENNEDY ASSASSINATION INQUIRY COMMITTEE

G.P.O. BOX 2691, NYC, 10001

March, 1969.

Dear Members and Friends:

Enclosed you will find an announcement of a public talk I am to give on the subject of the assassination of the Rev. Martin Luther King, Jr. This lecture is scheduled for the eve of the first anniversary of the assassination, and is our first public presentation in a few months. This is the kick-off to a new round of activity; please come, and learn the non-published facts about a conspiracy in this murder.

We are involved in investigating the assassinations of Robert Kennedy and Martin Luther King in addition to that of John F. Kennedy. We also have an interest in looking into the assassination of Malcolm X, as soon as manpower permits. We are not changing the name of our committee, because the nexus of assassination and government obfuscation which started in Dallas on November 22nd, 1963, has reproduced itself in the more recent crimes. Indeed, until the original crime has had a proper public hearing as outlined in our petition, we do not believe it possible for the country to move properly forward in the area of official Federal investigation. The April 3rd lecture is an opportunity for the public to arm themselves with the facts they need to command an honest investigation.

PICKET!!! We have been trying to arouse LIFE magazine to the need of the American public for a look at the Zapruder film of the JFK assassination. To date, no luck. We are going to make one more attempt to persuade them to at least negotiate with us, and we are also going to try and obtain a copy for private study purposes. It is likely LIFE will refuse; we plan to picket the TIME-LIFE building in New York City, and would like you and your friends to join us. This is to be an orderly demonstration of two or three hours in length, not a sit-in, sit-down, or get-arrested demonstration. It will take place somewhere between the hours of 11 am and 6 pm, on either a Monday, Tuesday, Wednesday, or Thursday. The best time of day, from the point of view of press coverage and reaching the maximum number of TIME-LIFE employees, would be during the 12 - 2 lunch hour. Can you be available then? Please write or phone (245-6757) us immediately, let us know how many friends you can bring, and when. Send us their names and phone numbers as well. For maximum effectiveness we need a maximum turn-out. This is your opportunity to involve yourself in a public activity with a great deal of potential.

We have discovered new evidence in both the Ray and Sirhan cases, evidence which we hope to make public shortly through press conferences. Some of it is quite startling; should the press decide to ignore it, we'll pass it on to you directly.

We are preparing to set up an office and staff in New York City. For this we urgently need money and your personal contributions of time, etc., now. I need two people, and am open to offers or suggestions from anyone who wishes to discuss it with me.

We look forward to seeing you April 3rd, and whether you can or can't come, please send whatever money you can to go towards our permanent organization. And let us know when you can picket. We will overcome.

Trent Gough
National Chairman
