Dear Miss Heathcote,

As suggested by Mr. Jules Geller in a telephone conversation this morning, I am sending you herewith (1) a consolidated list of corrections to the Bobbs-Merrill edition of *Accessories After the Fact*; (2) a series of up-dating insertions which should be made in any new edition; and (3) an exchange of letters with Scarecrow Press regarding the rights to my Subject Index to the Warren Report and the Hearings and Exhibits.

Please do not hesitate to call me if you should have any questions, at Plaza 4-1234 ext. 2024 or at home Chelsea 2-4293.

Yours sincerely,

Sylvia Meagher
