

Mary Terrell

1. We need to determine if denials were ever made by Dulles, McCone and Helms that Oswald had contact with the CIA.
2. Why are there no photographs from Oswald's passport file in the CIA file? Why are there no newspaper clippings on LHO's defection in the CIA file?
3. CIA 21-533 (listed in index received under FOIA 1/19/77) is a document in Oswald's 201 file but not relating to him and, therefore, is denied.
4. CIA 8-4 (FOIA 4/76) - 10/15/63 - Cable from CIA, Mexico City, requesting a photo of Oswald. "Comment: *Attempt of Lee Oswald and wife to reenter U. S."
5. Oswald's IRS file is not available, which might show pay from the CIA or the FBI. (Interpretation of post-Oct. 19, 1963, IRS letter and Nov. 8, 1963, letter allegedly from Oswald could show that Oswald does not report such sums.)
6. Could Manuel Porras be "P. S." ?
7. CE 238 not used. (See Vol. 16, p. xvi)
