Dear Ms. Meagher:

The Select Committee on Assassinations of the House of Representatives will be holding a two-day conference on September 17-18, 1977. The subject of this conference will be: Identification of Investigative Areas and of Any Unanswered Questions Which May Exist With Regard to the Assassination of President John F. Kennedy. The Select Committee requests your participation in this conference.

As a participant, your travel to and from Washington and your hotel and meal expenses will be reimbursed by the Committee up to a limit of \$50.00 per day. To facilitate this process, please retain all airplane ticket stubs, hotel and restaurant receipts.

I have enclosed a copy of the Committee's Nondisclosure Agreement. Signature of this agreement is a prerequisite to participation in the conference. If you have any questions concerning the agreement, please contact Jim Wolf of our legal staff. You are, of course, at liberty to discuss the fact that the conference is being held and that you have been invited to participate. The Nondisclosure Agreement, however, will apply to all other information that you may learn during the conference, including who the other participants are.

It would be helpful to the Committee staff and conference participants if you would submit, at your earliest convenience, a list identifying what you feel to be the principal areas of investigation and any unanswered questions that may exist in

each area. If these lists are received in time, the Committee will reproduce them and send them to each participant.

If you have additional questions, please contact Jacqueline Hess or Betsy Palmer of the Committee staff.

Yours truly,

A handwritten signature in cursive script that reads "G. Robert Blakey". The signature is written in dark ink and is positioned above the typed name.
