Key to Names

Explanatory Note

- ① Not perjorative or accusatory. Under "Org Crime" not only names of underlined figures but innocent persons mentioned in context of organized crime, including a number of victims of execution by mobsters.
- ② Lists are not exhaustive but include persons mentioned in the volumes who are known to fall into particular categories. "Dallas Police" does not provide a complete roster but includes names of police officers and officials named in the volumes.
- ③ Some cross-referencing has been included. For example, associates of Ruby known to be connected to organized crime are listed under both headings.

Miscellaneous

Jay Byrd (Republican, Tippit killing)

Edward Teller (nuclear scientist) ✓
Louisiana

Joseph Ambre (Louisiana State Police)

Carol Abbat (Texas Democr. Party)
