Dear Miss Meagher:

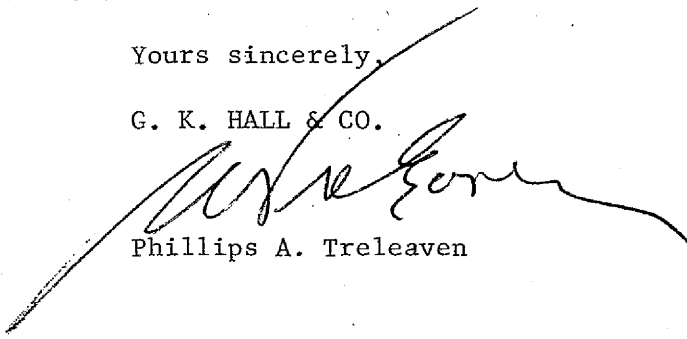

Thank you very much for your letter of September 11 describing the subject index you have prepared for the Warren Commission Report.

We might well be interested in working out publishing arrangements with you and would appreciate receiving further details about the index. Especially, we would like to know what is the present physical form of the index (cards, loose-leaf binder, etc.), and how large it is. It would be helpful if we could inspect part of the index in either facsimile copy or original.

We hope to hear from you again soon.

Yours sincerely,

G. K. HALL & CO.
