

Phone call from H. Hartmann  
Friday night 11:30 pm  
12/6/68

Vernin forms Telephone  
Parasurmit fore continued  
Phone "operator" called  
saying trying locate  
party or parties who had  
called Jim in ME &  
Jim had suggested trying  
H.A. Completely false.

She suspects K. Thornley  
thinks she recognizes the  
brassy voice on  
phone as his, from his  
radio broadcast.  
I pointed out that must

of these episodes have  
occurred since Horsey  
arrived. Since he told  
outright lies re his  
"private interviews" & RFX  
(said on air, 4 witnesses  
told Jim, none) I am  
distracted of anything he may  
say (or do).

I promised to verify &  
think if he got letter from  
K. Thornley asking think  
tell Horsey to get in touch  
w/ KT, and if think  
send copy KT letter to  
Horsey.
