Dear Bob:

When you make announcements about Mrs. Sylvia Meagher's appearance on Open Mike, please do not mention that she is with the World Health Organization.

Mrs. Meagher prefers any information about her background to be as it is described inside the back flap of the dust jacket on her book. I would be distressed if she should have any unpleasantness because of infraction of the rules that apply to her.

You will recall a similar condition with respect to Jim Lorenzen a couple of years ago when he was not permitted to identify himself with Kitt Peak National Observatory.

Thank you for everything.

Sincerely,

cc: Mrs. Meagher
