MEMORANDUM FOR MR. TOLSON

 MR. DE LOACH
 MR. EVANS
 MR. ROSEN
 MR. SULLIVAN

Deputy Attorney General Nicholas deB. Katzenbach called. He stated that Alexis Johnson in the State Department said Ambassador Mann requested assistance of an FBI Agent to follow leads down there; that they want a Bureau man along with McCone's. Mr. Katzenbach said he agreed this should be done and McCone feels it should be done. He asked if he should tell them I would send somebody down there or if I wanted to get in touch with them - Deputy Under Secretary of State U. Alexis Johnson.

I replied that my idea would be to have our Agent there do whatever needs to be done. Mr. Katzenbach indicated they apparently want us to send someone with all the facts and he asked if the Agent there knows all the facts. I answered yes, that we have been sending him daily teletypes about the case.

Mr. Katzenbach then stated that he will suggest the action I recommended and, if it doesn't take, they can come back.

Very truly yours,

J. E. H.
