Dallas, Texas John F.

Reference Los Angeles airtel to the Bureau dated 11/23/63.

Enclosed herewith for the Dallas Division is one copy of referenced airtel.

FIRST CHURCH OF CHRIST CHRISTIAN or CHURCH OF CHRIST CHRISTIAN Calif.

On 11/26/63 GEORGE HARDING, JR., 2455 Nelson Way, Sparks, Nevada, advised SAs FLOYD E. HOLMES and ALF T. STOUSLAND that as he recalled the above was the name of the organization in Los Angeles with which he was associated. If the name is not quite correct the FBI Office in Los Angeles should have the correct name as he gave all of the information in his possession to FBI Agents.

HARDING said he first became interested in the organization through his cousin HARRY WILSON who operates the Wilson Calif.

Early American Chair Company, Los Angeles. HARDING did not recall the names of all the individuals he met in this organization but at the time he furnished all of the names in his possession to the Agents in Los Angeles. He did recall that the head of the organization was Dr. WESLEY BRIEF. The second in command was a Colonel WILLIAM GALE, an attorney, who was supposed to have been the youngest intelligence officer under MC ARTHUR. *2/1/63*

HARDING again furnished the same information concerning the assassination of the 300 officials in high public office and industry. HARDING claimed he never did formally join this organization but was given to understand he was "in." He was also told by JAMES SHOUP that he (HARDING) might be tapped for one of the eight men. They led him to believe they were serious and that anything he did was at the risk of his neck and that if he did any talking, it would mean he would be taken care of and his children by a previous marriage would be harmed.

HARDING stated he had made up his mind to leave Los Angeles and after talking to FBI Agents in Los Angeles he did not attend any more public meetings and attended one private meeting at which time he informed the members he had a job and would have to leave Los Angeles. He did not tell anyone where he was going and the only person who has his address is his cousin HARRY WILSON. He came to Reno, Nevada, and obtained a job as a milkman for Model Dairy. He begins work at 4:00 A.M.

HARDING said he could furnish no information which he had not furnished to Agents in Los Angeles.

On 11/27/63 it was determined by pretext interview with MAX SHRIGLEY, Distributor, Model Dairy, Reno, Nevada, that HARDING worked on November, 22, 1963.

No letterhead memorandum is being submitted by Las Vegas as Secret Service, Los Angeles, is cognizant of all information in HARDING's possession as shown in referenced Los Angeles airtel.
