

Dec. 6

Dear Sylvia

Here is SS633, as requested. The SS visit to Portland seems to be discussed in the 11/18/63 St. Louis P-D article. I assume the statements mentioned on p. 3 are those in the Price D.E. Also, note the date of this report - it is hard to believe that the FBI didn't at least have access to a copy.

Best wishes,
Paul
