to
Commission Documents
in
Volumes XXII - XXVI
of
Hearings Before the President's Commission
on the Assassination of President Kennedy

For each CD which is reproduced in part or in whole, the pages and the number(s) of the corresponding CE(s) are given. This list is in order by CD.

An X before the CD number means that this document was withheld at the National Archives, as of June 17, 1966.

This index was made from CE 3154. Thus, it does not necessarily include all CD's which are reproduced in the last 5 volumes. It does not include any of CE 1 - 1053 or of the Deposition Exhibits, many of which are also CD's. When a CE is listed in CE3154 as a CD with no page numbers given, the mark (-) appears under 'pages' below. This does not always mean that the entire CD is in the CE.

Because of the probability of errors, this index should be used only in conjunction with CE 3154. I would be glad to receive any errata.
