Dear Sylvia,

I doubt that I have come up with anything new, but I am enclosing some comments on Hoover's recent statement, for your amusement.

The new issue of Frontier has an important article by Jacob Cohen. I sent Vince a copy at his request.

Your article in Esquire is outstanding! Concerning the Secret Service interviews with Dallas doctors: have you seen the article in the St. Louis Post-Dispatch for Dec. 18, 1963, p. 1,6? SS 633 in CD 87 may be relevant; also maybe CD 1014, withheld "to protect sources of information and to withhold details of a personal nature having no significant connection with the assassination...."

Sincerely,

Paul
