

27 November 1973

Mr. Paul Hoch
1735 Highland Place # 25
Berkeley 94709

My dear Paul,

Congratulations on your doctorate.

I guess we can give the melons a
—decent burial, at this point in time.
Of course, I will be interested in the
results of your present work on the
assassination.

I cannot provide any substantial
account of the CTIA conference. I missed
a whole day, and the day I did attend was
a lot of milling around and confusion.

Yours sincerely,

Sylvia Mayhew
