Dear Sylvia,

Here are two new lists of available stuff (4/2 and 4/7), plus the 18 pages from last year's Archives release. (The cost of those pages is being split 3 ways (you, me, Arch/Mary).) Also, ~~an~~ an article from last Sunday's paper on Peter.

Information continues to flow, more rapidly now. I have the first of the JFK public hearing volumes - some new material, such as Guinn's report, but not much. More lists and documents will follow soon.

With best regards,

*Paul*
