Dear Sylvia,

Thanks for your letter of the 9th, and the NYT clip of the 18th re the CIA-HSC story. Enclosed is the Washington Post version of that story, which is all I ~~know~~ know at the moment. Really strange.

Newsletters for 6/9, 6/16, and 6/23 are enclosed, ~~and~~ along with the LEIU documents listed (6/16). Provocative stuff. If you believe in a Mafia plot, it makes more sense to me that they would set Oswald up as a patsy, using their corrupt influence in the DPD (or the LEIU) than ~~that~~ that they would recruit him by ~~him~~ having Nofio Pecora pay ~~him~~ his \$25 bail.

If you get ~~Bode~~ Bode's TV remarks, and Cohen's piece in the Brandeis newsletter, I would like to see them. I gather that I didn't send you Cohen's piece in the Boston Phoenix of 1/9 (enclosed). Considering the intellectual contortions people like Belin and Jaworski have gone through to avoid confronting the acoustics evidence, I have to give Cohen a lot of credit for admitting he was wrong.

I also heard that Mary has started ~~indexing~~ indexing the HSC volumes. I've mentioned this ~~to~~ to Gary Owens in Canada, who seems to be ready to do some work on this himself - which I'm glad to see.

With best regards,

Paul
