Dear Sylvia,

Thanks again for your hospitality (and the roast beef ~~an~~ sandwiches). Kathy and I were both very pleased to see you. I wish we could have had more time to talk. I will try to keep you informed on what I am doing out here.

I have Newman's book, and have gone through ~~roughly~~ enough of ~~it~~ it to convince myself that he is Bringuier with brains. I intend to go through it carefully for leads. Newman is right in looking at Oswald ~~as~~ <sup>as</sup> ~~not~~ "political" rather than "sick." Thanks for sending me your Observer review.

Senator Smathers' recent disclosure that he and JFK discussed the assassination of Castro may tie in with something Jim Schmitt found: the reason that Sylvia Odio's parents were in jail in Cuba is that they helped hide one of the principals in an assassination attempt against Castro. Do you think this may be more than a coincidence? (Please keep this very secret.)

I have been able to get some more information about Alliance, Inc., which you checked out for me at 150 E. 35 St. I am enclosing two pages from a book I found. They are now unknown at the 66th ~~xxSix~~ Street address.

I am enclosing a copy of a paper I have done with Alvarez and Olson on the head snap (also confidential). I would welcome ~~your~~ ~~comments~~ your comments.

Sincerely,

*Paul*
