Mr. CHARLES WOODROW GREENER, 2015 Rosebud, Irving, Texas, was interviewed at his place of business, Irving Sports Shop, 221 East Irving Boulevard, Irving, Texas.

Mr. GREENER stated that he first saw and learned of the existence of an Irving Sports Shop repair tag bearing the name "OSWALD" on a date that he is confident was November 28, 1963. He explained that he recalls this occurred on a date when the store was closed that was a few days after the President was assassinated; therefore, he is sure that it was Thanksgiving day, November 28, 1963. He said he was contacted by representatives, names unknown, of a television station and he accompanied them to the Irving Sports Shop where pictures were made, which pictures later appeared on a television program.

Mr. GREENER said he was also contacted by a reporter of the "Dallas Times Herald" newspaper, who said he, the reporter, had talked to DIAL RYDER by phone regarding the work performed for someone named OSWALD before RYDER had been interviewed by an Agent of the FBI. Mr. GREENER stated that he does not know the name of this reporter and has no knowledge as to how this reporter might be identified other than the fact he assumes this reporter is the individual who wrote the article that appeared in the "Dallas Times Herald" of November 28, 1963.

Mr. GREENER stated that he has absolutely no idea who might have made the initial calls regarding the possibility that LEE HARVEY OSWALD had work performed by the Irving Sports Shop. He stated that he does know that a Mrs. WHITWORTH, who previously operated the Furniture Mart on East Irving Boulevard, about one block west of the Irving Sports Shop, has stated that OSWALD, his wife and children were in the Furniture Mart in early November 1963 looking for a gunsmith, therefore, suggesting the possibility that Mrs. WHITWORTH may have made the initiating telephone call.
