Dear Mrs. Meagher,

I'd hate to lose you as a reader, but your subscription to TRUTH LETTER expired long ago and has not yet been renewed, despite several reminders.

I trust you will want to continue receiving TL and would therefore appreciate an early remittance at the same discount rate as before.

Sincerely yours,

A handwritten signature in blue ink, appearing to read "J. Joesten". The signature is written in a cursive style with a long, sweeping tail on the final letter.
