Dear Mrs. Meagher,

Please forgive me for having been so slow in answering your letters of Feb. 4 and 18, which I have read with great interest. If I did not use your collage on Garrison, the reason is that I have felt for some time that his case against Clay Shaw was falling apart and did not want to add to his troubles.

I shall always be most interested in anything you write and if on occasion you care to contribute another item exposing some fraudulent aspect of the Warren Report, it will surely be most welcome here.

With kind regards,

Sincerely yours,

*J. Joesten*
