

Announcing the imminent publication of

JOACHIM JOESTEN'S

TRUTH LETTER

An Antidote to Official Meadacity and Newsfaking in the Press

Joachim Joesten's TRUTH LETTER is primarily designed to keep the readers of his manifold writings about the assassination of President John F. Kennedy (eight printed books, three mimeographed reports) abreast of latest developments in the case. Every book on current affairs must needs stop at a certain point. If it deals with a subject as poignant and disturbing as The Kennedy Murder Fraud, the reader is bound to be left in suspense, anxious to find out what happened next.

TRUTH LETTER is intended to fill this gap by constantly bringing you up to date in the matter with news items, special reports and elucidating comment on the aftermath of Dallas, especially the Garrison enquiry in New Orleans, the continuing extermination of witnesses, the machinations of the FBI and CIA with a view to blocking the breakthrough of truth etc. In addition, TRUTH LETTER will keep you informed about new developments in, and hidden aspects of, the other two political murder cases intimately linked to the "Crime of the Century," to wit the assassination of Senator Robert Kennedy and the slaying of Dr. Martin Luther King.

And, in passing, TRUTH LETTER will also nail a few other official lies.

TRUTH LETTER is a biweekly newsheet, published in mimeographed form on the 1st and 15th of each month. Each issue will average five single-spaced pages of the same format as the present announcement, with occasional extra space as required by events. Because TRUTH LETTER must be made wholly self-supporting from the start, subscription rates are comparatively high:

One year, \$ 45.00; six months, \$ 25.00; 3-months-trial, \$ 15.00

Single issues: \$ 3.00 per copy (all prices in U.S. dollars)

If you want to give some extra help in spreading the truth, take an additional subscription for a friend!

The first issue of TRUTH LETTER (Vol.I, No.1) is scheduled to appear on September 15, 1968. It contains, among other items, the following features:

Statement of Purpose -- The Moment of Truth (An Open Letter to presidential candidates Humphrey and Nixon inviting them to fire FBI Chief J. Edgar Hoover and his counterpart at the CIA, Richard Helms, as an indispensable prerequisite for establishing the truth about the three assassinations) -- LBJ and Not-So-Honest Abe: Why the Usurper desperately needs Justice Fortas at the head of the Supreme Court --JFK Sensation in Germany: A mass circulation newspaper reveals exact amounts of bribes paid to Dallas police chiefs by the conspirators for their cooperation in setting up the Dealey Plaza ambush! -- Stalling Off Justice (a hard look at the dilatory tactics employed by Clay Shaw's lawyers) -- What's behind the Garrison disclosure that a foreign intelligence agency is helping his investigation? -- Plus:
