Dear Mr. Joesten,

My good friend Shirley Martin of Oklahoma has sent me information about your press release of July 25, 1966, and the publication of your book. As you will see from the enclosed Scarecrow Press announcement, I have published a subject index to the Warren Report and am engaged in further study and research as well as writing on the case (my articles have been published in The Minority of One, June, July/August, and September 1966 issues, with a further article to appear in the October issue in a few weeks).

I am very anxious to receive your book. If possible, could you send me a copy immediately by airmail, with a bill covering the cost of the book together with the cost of mailing? I should be very grateful. If you prefer, I will be glad to send you a check in advance. Your work is of particular interest to me, as, I am sure, to other critics of the Warren Report.

Yours sincerely,
