Wed.

Sylvia,

Hello honey.

Did J. E. Dratchman make any statement? The Journal was in Ruby's car. He has been dead over a year.

Where are Ruby's statements to the FBI? My next article will be on patrolman Cline and wife. That is a strange pair.

I guess you knew Dave Difton was gone for a while and swears no, but he is back and ok.

No letter yet from Hamilton. He is a bastard, I think.

I am going to print my book and saddle stitch it and sell for \$18.00 with my friends getting their 50% and resale for their own use.

You and a few others, I had used some money for more research.

I go to Lubbock in the morning for some investigation.

Keep writing, I love all your work.

Sincerely,
