New York, N.Y. 10014

Dear Miss Meagher,

I am becoming acquainted with more and more of your friends-- due, I guess, to your writings.

I surely do want autographed copies of everything you have printed -- or write. And I will pay full price.

Enclosed is the copy you sent me-- I made a photo copy. I plan to put 12 of my installments into a booklet and try to sell for more research money. It is very costly, but maybe the books would help a little.

Had a call last night from a Mr. Marcus in Los Angeles. He mentioned your works. We need an organization of the true and faithful. Shirley Martin is a tireless worker in this field.

If you want me to publish anything you get refused, send it along. I will give full credit and give extra copies of paper.

If you come to Dallas, I am only 45 min from Love Field and will pick you up and give you a tour of Middlethian (pop 18,00)

Please keep me posted, and notify me if you find an error in my stuff.

On the Ruby at Parkland -- the FBI questioned Ruby on the point while on the polygraph, but the FBI did not evaluate that question although they did evaluate the other questions.

Thanks for writing, for the sub money, and please keep in contact.

Sincerely,
