Ex-Detectives

Trial to Open

Two former Long Beach detectives will go on trial for manslaughter Aug. 6 in the shooting-death of newspaper reporter William B. Hunter.

The trial for Creighton Wiggins Jr., 29, and Errol F. Greenleaf, 32, was scheduled Tuesday by Superior Judge Maurice C. Sparling after both defendants pleaded not guilty.

Judge Sparling rejected Greenleaf's motion for dismissal. Wiggins filed no motion.

The former policemen are accused of fooling around with guns April 23 when Hunter, 35, was shot to death in the press room of the Long Beach police station.
