Dear Sir:

Enclosed please find my check in the amount of \$9.75 for 3 (three) copies of your book, "Forgive My Grief," additional money to handle cost of mailing.

I heard you last night on the Jack Machinney show over WCAU radio in Philadelphia. I must say some things said caused me to be thoroughly shocked. I am one of the persons who have never believed that Oswald committed the assassination of President Kennedy alone. Keep up the good work and I am sure that the day is not too far off when we will all know the truth of this horrible crime.

Yours very truly,
Mrs. G. E. Brodwater

Dear Mr. Jones:

I was very much impressed with your remarks on last evening's Jack McKinney show (Station WCAU, Philadelphia).

From the outset, I have been of the opinion there were gross irregularities in the circumstances surrounding the assassination. You certainly are to be commended for your courageous stand in bringing some of these situations to light. And I do mean courageous because I quite agree with you that the number of deaths involving witnesses or those in positions to possess direct information are too many to be credible—they are possible but not probable.

I would very much like to have a copy of your publication, "Forgive My Grief." Enclosed is \$2.95 to cover the cost of same. I would also appreciate being put on your mailing list for information concerning your future publication(s) in connection with this matter.

Thank you very much.

Sincerely,
(Mrs.) Louise Krane
