

P. 30. NY 231916
Assassination Inquiry Urged

~~WASHINGTON, Sept. 27~~

(AP)—Representative Theodore R. Kupferman, Republican of Manhattan, said today that he would ask Congress to take up the question of whether it should investigate the assassination of President Kennedy. Mr. Kupferman said he would introduce tomorrow a joint resolution under which a committee would review the Warren Commission report and all other available information on the assassination.
