Honorable Theodore R. Kupferman  
House of Representatives  
Washington, D. C. 20515

Dear Mr. Kupferman:

This is in reply to your letter of December 27, 1966, concerning the X-rays and photographs taken during the autopsy of President Kennedy.

We have forwarded your request for access to the autopsy materials to Mr. Burke Marshall, who has been designated by the Kennedy family to act in its behalf in matters relating to these materials.

As you may know, these materials were accepted for deposit in the National Archives under authority of 44 USC 397e. Conditions imposed by the Kennedy family pursuant to this authority provide that for a period of five years these items, unless otherwise determined by Mr. Marshall, may be made available only to persons authorized to act for a committee of the Congress or a committee or agency in the Executive Branch vested with authority to investigate matters relating to the death of President Kennedy.

Sincerely yours,

(signed)
