Dear Mr. Ockene:

I have your letter of May 25, and I certainly would want to read the galley proofs of Sylvia Meagher's new book.

I am sure that we will be able to work out a satisfactory quote, and I will also want to review the book for the Villager, a weekly newspaper in the area I represent and where Sylvia lives.

Of course, you understand that, while I have great respect for the work that Sylvia has done in this area, we do not agree on the conclusion, and so my quote will have more reference to her ability and dedicated study than it will have to any specific facts.

I look forward to seeing the galley proofs.

With best regards.

Sincerely yours,

Theodore R. Kupferman, M.C.
